ID WATCHDOG PLUS

ID Watchdog Plus is our core identity monitoring, identity theft detection and resolution product. Plus monitors thousands of public and private databases searching for new and updated information associated with your personal, identifiable and financial information. Plus includes monitoring of an employee's social security number, criminal records, address history and more.

<input type="checkbox"/> Employee	<input type="checkbox"/> Employee + Spouse
<input type="checkbox"/> Employee + Child(ren)	<input type="checkbox"/> Employee + Family

ID WATCHDOG PLATINUM

In addition to the advanced identity monitoring services offered with ID Watchdog Plus, ID Watchdog Platinum also includes credit report monitoring for all three credit reporting agencies (Equifax, Experian and TransUnion) as well as access to your credit reports and credit scores from all three bureaus.* Credit reports and scores are automatically refreshed annually and any time suspicious activity is detected.
